WTO Trade Facilitation Agreement was concluded in December at the Bali Ministerial Conference.

The WTO TFA was established on the basis of:
- Article V (Freedom of transit)
- Article VIII (Fees and formalities)
- Article X (Publication and administration of trade regulations)

of the General Agreement on Tariffs and Trade (GATT) 1994

The Agreement will enter into force once 2/3 of the WTO Members ratify it.

Article 6
The aim of Article 6 is to limit the size of fees and charges to the approximate cost of the services rendered.

Article 7
Article 7 aims to expedite the release and clearance of goods, specifies certain measures that Members will need to adopt. (e.g. Pre-arrival processing, electronic payment, expedited shipments)

Article 8
Article 8 promotes border cooperation in order to facilitate trade. (e.g. One stop border post)
Fees and Formalities

**Article 10**
Article 10 aims at harmonising and simplifying transit formalities and documentation. (e.g. Single window)

**Article 12**
Article 12 aims to improve multilateral customs cooperation and exchange of relevant information.
Transparency

Publication: publish a wide range of info related to procedures for clearing of goods for import/export

- Article 1: Publication and availability of information
- Article 2: Prior publication and consultation
- Article 5: Other measures to enhance impartiality, non-discrimination and transparency
General Principles

• Assistance and support for capacity building should be provided to help developing and LDC country members implement

• The extent and the timing of implementation will be related to the implementation capacities.

• Implementation will not be required until capacity has been acquired

• LDC Members will only be required to undertake commitments to the extent consistent with their individual development, financial and trade needs
Categories of Provisions

Cat. A
Implement upon entry into force (developing countries) or within one year after entry into force (LDCs)

Cat. B
Implementation after a transitional period of time

Cat. C
Provisions requiring the acquisition of implementation capacity through TACB
Implications for the LLDCs

1. Encourage ratification of the agreement by WTO members

2. LLDCs need to assess their technical assistance and capacity building support needs and priorities to implement the agreement

3. A decision on the work programme on small economies was taken in Bali in 2013 – this could be of relevance to some of the LLDCs.

4. It is important for the WTO to launch a dedicated Work Programme for the LLDCs - assist LLDCs address their special needs - Trade Facilitation, Aid for Trade, Services, Electronic Commerce and WTO accessions
