7. Delegations will be seated in English alphabetical order.

8. The Committee of the Whole will start its work in conference room M2 on the afternoon of 3 November 2014.

V. Agenda and programme of work

9. The agenda of the Conference was considered at the first session of the Intergovernmental Preparatory Committee for the Second United Nations Conference on Landlocked Developing Countries and recommended for adoption by the Conference (see [A/CONF.225/1](#)).

10. The General Assembly, in its resolution [68/270](#), adopted the proposed organization of work of the Conference. The programme of meetings will be made available online in the daily *Journal of the United Nations*, providing details on daily activities and information such as titles, times and locations of meetings, agenda items to be considered and relevant documentation. Announcements of events will also be made through the monitors in the M Building.

11. The list of speakers for the general exchange of views will be established on a first-come, first-served basis with the customary protocol that ensures that Heads of State or Government speak first, followed by other heads of delegation. The European Union, in its capacity as observer, will be included in the list of speakers. All States wishing to inscribe on the list of speakers are requested to contact the secretariat indicating the name and the level of the speaker (poliakova@un.org). It is proposed that a time limit of five minutes be established for each statement. The list of speakers will be announced in the daily *Journal of the Conference*. Under agenda item 9, there will be statements by: (a) intergovernmental organizations and other entities that have received a standing invitation from the General Assembly to participate in the capacity of observer in the sessions and work of all international conferences convened under its auspices; (b) associate members of regional commissions; (c) specialized agencies and related organizations; (d) other intergovernmental organizations; and (e) interested United Nations organs. The

representatives of the non-governmental organizations and other major groups will make statements under agenda item 10 of the Conference.

12. In addition to the discussions in the plenary and the Committee of the Whole, the Conference will feature parallel and side events. There will also be a private sector track of the Conference featuring additional side events.

VI. Interpretation

13. The six official languages of the Conference are Arabic, Chinese, English, French, Russian and Spanish. Statements made in the plenary and the Committee of the Whole will be interpreted in the official languages.

14. Statements made in any of the six official languages will be interpreted into the other official languages. Any representative may make a statement in a language other than the official languages. In such cases, the delegation should provide either an interpretation or a written text of the statement in one of the official languages. The interpretation or written text will be considered by the secretariat to represent the official text of the statement and will be used by United Nations interpreters as the basis for interpretation into the other official languages.

VII. Distribution of written statements

15. Delegations wishing to have their statements distributed to the meeting participants are requested to deliver 350 copies to the document distribution counter outside the M-Plenary Conference Hall prior to the start of the meeting at which the statement is being delivered. Participants are reminded that the secretariat will not be in a position to offer reproduction services.

16. Delegations are required to bring 20 copies of their statement to the secretariat desk in the meeting room. Delegations wishing to have their statement posted on the Conference website are encouraged to e-mail the statement to the secretariat beforehand at the following e-mail address: ohrlls-unhq@un.org.

VIII. Documentation

17. The official documentation of the Conference will be issued in Arabic, Chinese, English, French, Russian and Spanish. The main document counter for delegations will be located outside the M-Plenary Conference Hall. Each delegation will be assigned an individual letterbox in which copies of all official documents issued during the Conference will be placed. Delegations are reminded that the document boxes are exclusively for the distribution of official documents of the Conference and may not be used for the circulation of any other papers or documents.

18. The distribution of official documents will be limited to one set per delegation, and delegations are encouraged to bring their own mobile devices loaded with pre-session documentation. All conference documentation will be available on the Conference website.

X. Access and accreditation

21. Access to the Conference premises and conference rooms will be granted upon the presentation of a valid United Nations Vienna International Centre conference pass issued by the United Nations Office at Vienna. Regular United Nations grounds passes from New York and other duty stations will not provide access to the United Nations Office at Vienna. Conference passes must be worn visibly at all times in the Vienna International Centre. Non-government participants holding a Vienna International Centre conference pass are subject to screening at the main entrance of the Centre. Accredited government delegates and VIP groups, including Heads of State or Government, Vice-Presidents, Crown Princes/Princesses, Deputy Prime Ministers and cabinet ministers, as well as their spouses, will be exempt from screening.

Accreditation of delegates (request for a conference pass)

22. The accreditation of official delegations of States, intergovernmental organizations and specialized agencies and related organizations (those listed in para. 19 (a)-(d) above) is handled by the United Nations Protocol and Liaison Service.

23. Pre-accreditation in New York will be open from **Monday, 22 September**, to **Friday, 24 October 2014**. On-site accreditation in Vienna will start on Wednesday, 29 October, and the issuance of conference passes to all accredited participants will start on Friday, 31 October 2014, at the United Nations Office at Vienna Security Pass Office-Gate 1 of the Vienna International Centre. Permanent/observer missions and liaison offices are strongly advised to make use of the pre-accreditation option in New York for all delegates who will participate in the Conference, as this will simplify the process and prevent delays and inconvenience for delegates in Vienna.

24. The issuance of Vienna International Centre conference passes and VIP passes will be done on the basis of an official communication, with an official stamp and signed by the head of chancery or an authorizing official, providing an authorized list of members of the delegation with: (1) name (as it appears in the passport or official identity document); (2) functional title; (3) affiliation; and (4) individual e-mail address. VIP passes are issued to those at the cabinet minister level and higher, as well as to their spouses.

25. In order to expedite the accreditation process, delegations are urged to submit the official communication to the office of the United Nations Protocol and Liaison Service in New York (Attn.: Wai Tak Chua), at Room S-0201; by fax to +1 212 963-1921; or by e-mail to protocolconference@un.org) before the pre-accreditation deadline of **24 October 2014**. A copy of the same should also be sent to the General Assembly Affairs Branch, Department for General Assembly and Conference Management (Attn.: Jolanta Banaszek-Panilla, e-mail: banaszek@un.org). After 24 October, all official communications should be e-mailed to the Conference Accreditation Unit in Vienna (Attn. Wai Tak Chua) at protocolconference@un.org.

26. **It is important to note that the required information referred to in paragraph 24 above, namely, (1) name (as it appears in the passport or official identity document), (2) functional title, (3) affiliation and (4) individual e-mail address, must be clearly specified and listed in numerical order in the official communication.** An individual e-mail address for each delegate should be provided. Upon approval by the Protocol and Liaison Service, the information regarding the delegations will be transmitted to the Vienna Security Pass Office for registration. The provision of an individual e-mail address will ensure that all members of delegations receive an automatic e-mail response confirming their registration. The automatic e-mail response will also contain a link to which each delegate may upload a passport-size colour photograph (in jpeg file format), thus shortening the time that it will take to issue a conference pass on the day of registration. All photographs must be recent, taken not more than six months prior to the Conference. Failure to provide an e-mail address will result in delegates having to line up to be photographed at the Vienna Security Pass Office.

27. Conference passes for all pre-accredited VIPs and delegates will be available for collection by representatives of delegations at the Conference Accreditation Unit in Vienna, which is the Security Pass Office-Gate 1 of the Vienna International Centre. As part of the security arrangements, all participants are required to present an official communication (letter of credentials/nomination) identifying them as authorized representatives, together with their passport or Government-issued photo identity document. Representatives from permanent missions to the United Nations Office at Vienna, upon the presentation of an authorization from the Permanent

Representative, may collect the conference passes for their delegations starting on Friday, 31 October 2014.

28. Collection of conference passes will be made available on:

- **Friday, 31 October, from noon to 4 p.m.;**
- **Sunday, 2 November, from 10 a.m. to 6 p.m.;**
- **Monday 3 November, from 8 a.m. to 4 p.m.**

29. On-site accreditation of delegates will start on Wednesday 29 October 2014 at the Conference Accreditation Unit, located in the Vienna Security Pass Office-Gate 1 of the United Nations Office at Vienna. Delegates who have not been pre-accredited will have to present a letter of credentials/nomination together with their passport or government-issued photo identity document and will be required to fill out an on-site accreditation form. Upon approval by the accreditation officer, delegates may proceed to have their photographs taken and obtain their conference passes.

30. Permanent/observer missions in New York are urged to advise and coordinate with their permanent missions, embassies or consulates general in Vienna or in the region on the proper accreditation procedure in order to avoid dual accreditation and possible confusion.

Credentials

31. The credentials of representatives and the names of alternate representatives and advisers shall be submitted to the High Representative for the Least Developed Countries, Landlocked Developing Countries and Small Island Developing States, who is the Secretary-General of the Conference, if possible not less than two weeks before the date set for the opening of the Conference. Any later change in the composition of delegations shall also be submitted to the Secretary-General of the Conference. They should be sent by fax to 1 917 367 0740 and by e-mail to ohrlls-unhq@un.org.
